We Invite You to AMC 2026

Join us in Antalya for the next edition of Türkiye's leading event in additive manufacturing. Following the success of AMC 2025 — which welcomed nearly 300 participants and featured world-renowned keynote speakers

AMC 2026 promises to be even more dynamic and inspiring. With rapidly growing international participation each year, AMC has become a key platform for sharing knowledge, showcasing innovation, and fostering global collaboration in advanced manufacturing. Don't miss the opportunity to be part of this exceptional gathering in 2026.

On Behalf of Conference Organizing Committee

Prof. Yusuf Kaynak
Conference Chair

Additive Manufacturing Process Modeling and Simulation

Applications of Additive Manufacturing

Data Analytics in Additive Manufacturing

Design for Additive Manufacturing

Functionally Graded Materials in Additive Manufacturing

Hybrid Processes

Lattices and Cellular Structures

Microstructural Characterization of Additive Manufacturing Components

Novel Materials for Additive Manufacturing

Post-Processing Operations

Process Monitoring and Control in Additive Manufacturing

Process Planning for Additive Manufacturing

Topology Optimisation Applications in Additive Manufacturing

3D Bioprinting and Biomedical Applications
